

Fibre Supply Operations Manager

Central Scotland
Main office: Stirling

Tilhill Forestry has a vacancy within our Fibre Supply Team for an Operations Manager. This is a key role responsible for compliance with all aspects of Health & Safety, environmental and product quality standards; procurement of pulpwood, biomass and recycled wood, logistics including sea transport, stock control and close liaison with our key customers.

The role involves regular travelling to liaise with customers and suppliers.

Ideally, we are looking for the following skills and experience:

- Relevant academic qualifications.
- Good knowledge of the biomass and recycling industry.
- Good understanding of biomass laboratory testing.
- Experience in Shipping.
- Strong commercial acumen and at least 3 years' operational experience in management position.
- Strong client relationship management skills.
- Motivational skills.
- Understanding of running a busy site with machinery and vehicle movements.
- Experience in quality control.
- Driving licence.

In return, we offer an attractive salary and benefits package, plus the exciting prospect of being welcomed into a talented and well-motivated team, together with a first class opportunities for personal and career development in a truly national and integrated company.

To apply, email your CV and cover letter, clearly stating the position and area you are applying for to careers@tilhill.com

Closing Date: 9th January 2019
